

Hand in Hand is a translocal ministry based in Pretoria, South Africa. It is lead by Keir and Callie Tayler who have enjoyed over thirty years of ministry both in Southern and Central Africa and abroad. Their passion is to see cities transformed by the Gospel and revival spread through the nations.

This website is designed to give you insight in to who we are and what we do. Due to the nature of our ministry we are constantly "in the action" and are often away.

We believe communication is vital in God's Kingdom and we hope to keep you informed of all that is happening in the life of Hand in Hand. Whether it be testimonies and reports from recent trips or where Keir and Callie are ministering in the coming weeks and months.
